Kazuki's

Sample

Kazuki's restaurant was opened in 2011. Hailing from Akita in Japan's north, chef Kazuki's uses flavours of his hometown to influence his contemporary cuisine. At Kazuki's we offer tasting menus as well as à la carte for midweek dining and lunch.

The tasting menu is designed to give you the complete experience of the kitchens offering in a structured manner with extensive wine, saké and tea matching options.
