

## Foreword

The drinks list at Kazuki's is curated with the intention of supporting the menu. With this in mind it is focused not just on particular styles of Wine but on Sake and Spirits as well.

We have done our best to seek a broad selection of both popular and lesser-known artisan producers whose style and structure complements the cuisine of Chef Kazuki Tsuya.

With a strong focus on premium producers from particular regions and climates around the world, we also have a strong representation of local and benchmark Australian wines. We are constantly looking for high quality opportunities to expand this offering.

Please enjoy your experience with us.

## Matching Wine

We offer a selection of beverages, designed to complement the menu of the day. While many of the pairings are table wine, we do sometimes make use of Champagne, sake, fortified wine, or spirits. Serving a half glass with each course, the entire undertaking represents approximately four and a half-standard drinks
